DECADES OF SERVICE

Leesburg volunteer receives state award.

This spring, Linda Watts, director of Florida's Hometown USA Program, received a Congressional Recognition Plaque from Congressman Cliff Stearns for her 22 years of volunteer work with Florida's youth.

The plaque was presented to Watts at the U.S. Capitol on the House Floor of the U.S. House of Representatives. Congressman Stearns also recognized Florida's Hometown USA program for its positive impact in local communities.

At an earlier date this spring, Watts received a Certificate of Special Congressional Recognition from Congresswoman Corrine Brown for her outstanding and invaluable service to the community.
